1. Pl ref your letter No A/84022/GS/MT-15 dt 07 May 2019.
2. The amendment to the "No Detention policy" vide the amendment act 2019, is a welcome step by which the schools have been given the power's to withhold the child in class V & VIII based on his performance in the annual examination and subsequent re-examination.
3. The above amendment will have a positive impact in ensuring that the child is more focused towards his academic aspects and gets into the habit of annual examination by which his academic skills, retention power are put to test each year.
4. Infact it would be prudent to hold the examination on annual basis wef class V onwards for each class to ensure a strong academic foundation for each child.
